

A DIVISION OF
CIMS

COMMERCIAL & INDUSTRIAL ESTIMATOR – Kitimat, BC

101 Industries, a division of CIMS Limited Partnership, is seeking a detail-oriented individual who communicates professionally with critical thinking abilities to fill the role of **Commercial and Industrial Estimator in Kitimat, BC**

In the position of **Commercial and Industrial Estimator** you will be responsible for working closely with all internal stakeholders to prepare cost estimates for commercial & industrial client projects by evaluating bid specifications and analyzing the cost of materials, labour and equipment required.

You will be accountable for:

- Ensure that CIMS' Core Values and Guiding Principles are integrated into all business practices and leadership models behaviors that cultivate safety, quality, customer value, performance & integrity.
- Work collaboratively to develop comprehensive, accurate project estimates in response to client needs
- Leading and promote a work environment where the safety and health of all employees, subcontractors, and individuals on CIMS sites is paramount.
- Works closely with Operations / Field Supervisors to ensure that the transitions and hand-offs of estimates are highly effective

A successful candidate would be an individual who has great communication and interpersonal skills with all levels of the organization. Professional written and verbal communication skills. Can effectively organize, plan, and manage objectives with the capability to make decisions and problem solve. 5+ years of experience in estimating. Commercial and Industrial estimating experience an asset. 5+ years of experience in commercial/institutional heating and plumbing systems consisting of hot water, forced air, heat pumps, potable water, drainage, ducting and gas piping. 5+ years of experience in structural steel and steel decking terminology and connection designs and details. Experience in working in unionized environment an asset. Proficient in MS Office Suite and other technology resources.

Working conditions you can expect while performing your role to include working in an office environment, with the possibility to travel and working at industrial or commercial sites. Work schedule will vary depending upon the scope of the work, location and the amount of field work required during the life of the project. Work schedule is extremely flexible and is subject to frequent interruptions as a result of CIMS's priorities.

About Us:
