

Project Manager – Port Coquitlam, BC

CIMS Limited Partnership is seeking an **organized problem solver who can implement, mentor, and guide all aspects of project management within the BC region** to fill the role of **Project Manager**.

As a **Project Manager** at CIMS LP, you will be a crucial contributor towards CIMS's success by overseeing all aspects of project management for jobs within the BC region. Project Management responsibilities include but are not limited to safe project delivery, done right the first time on schedule and on budget. Mentoring aspiring project managers and coordinators on best practices, customer relations management and company expectations while embodying CIMS corporate values of *Our People, Our Promise, Our Passion*.

You will report to the Regional Vice President and be accountable for the following:

- Responsible for the direction, coordination, implementation, and completion of projects while remaining aligned with the strategy and goals of CIMS.
- Support and promote CIMS' culture, values, and business strategy.
- Oversee and direct all day-to-day project initiatives.
- Project performance for safety, quality, and cost efficiency

A successful candidate would be an individual who:

- Undergraduate degree or Technical School certification (including Trade Certification) in appropriate discipline or equivalent.
- 10+ years of progressive experience in Heavy Industry Turnaround Maintenance, Daily PM Maintenance and Project Management.
- 5-10 years of related field construction experience.
- Project Management Certificate would be an asset.
- Experience in project management, project controls, budgeting/financing, critical path thinking, risk management & assessment, negotiating, planning, cost estimating, cost/benefit analysis, scheduling, and planning.
- Familiarity with HS&E and quality control legislation, requirements and systems used.
- Strong leadership and team-building capabilities.
- Excellent interpersonal communication with teams across the organization.
- Exceptional interpersonal skills reflecting the ability to inspire teamwork, confidence and cooperation amongst all stakeholders and partners coupled with collaborative consensus-building competencies.
- Proven ability to focus on long-term strategic growth goals while managing short-term tactical objectives.

Working conditions you can expect while performing your role include:

- Office and field environment.
- Working to deadlines.
- Some high-stress situations (i.e. collections and meeting deadlines).
- Frequent travel and interruptions.

About Us:

CIMS LP is a 100% Canadian-owned and operated mechanical contractor serving locations across Canada. CIMS provides services in the heavy industrial sector, including the most significant plant shutdowns and complex industrial projects in the Oil and gas, Mining & Industrial, Pulp & Paper, and Power Generation industries. For 30+ years in the business, we believe that Our People are our most valued asset and commit to our employees, customers and communities to make a positive impact every day.

CIMS is an inclusive employer committed to a workplace that reflects the diversity of the communities we live and work in.

Every day we work towards empowering and advocating for our employees by welcoming, respecting and valuing people for who they are as individuals. **We welcome and encourage applications from Indigenous Peoples, women, the LGBTQIA2+ community, mature workers, people with disabilities, and people from different colour /cultural backgrounds.**

CIMS LP is committed to ensuring that reasonable accommodation is made available to people with disabilities during the recruitment, assessment and selection processes. If there's something we can do to help make the recruitment process more accessible-friendly, let us know and we will do our best to accommodate.

If you want to be a part of our hard-working team and have the skills we are looking for, please submit your resume to **RECRUITMENT@CIMSLTD.COM**

Only candidates who are most qualified for the position will be contacted.
